## Image of the Year

The Image of the Year competition held recently was an evening displaying some great images from our members.

Congratulations to Jon Bagge for his 'Sylvia Falls, NSW' being the deserved recipient of the Image of the Year title for 2012. Jon also received certificates of merit for other images submitted (see separate section in this publication for all awards). Well done Jon! Brien Cohn from Geelong Camera Club was our judge, and did a great job. He would have had a difficult time selecting from all the entries submitted.

Sylvia Falls NSW – Jon Bagge

## President's Report

Welcome to our first edition of the Bellarine Camera Club newsletter. We are looking at producing the newsletter to be available at the first meeting of the month, each month. If you have any information, tips, or may want to contribute any items to the newsletter please feel free to email these to: [info@bellarinecameraclub.org.au](mailto:info@bellarinecameraclub.org.au)

This coming Saturday (11<sup>th</sup> August), we are competing in a 3-way competition between ourselves, Corio Bay & Colac Camera Clubs. It is being held in Colac, at the Skills Connection House on the corner of Pound Rd & Queen St, starting at 8pm. We have entered approximately 25 - 30 images in three different formats - large & small prints and EDIs. Thank you to all of the members who were able to contribute their images for this interclub competition. The main theme is Street Photography and there is also an open section. Here's looking forward to bringing home some awards.

We are also looking at subjects for the syllabus for the next six months. If you have any suggestions please feel free to come and talk to our committee members - committee members have yellow name tags.

You can email any suggestions in as well. The syllabus is being designed as a 'rolling' six month syllabus, meaning we are only planning six months ahead. Please let us know if you would like more workshop nights; we are looking at replacing a meeting night with a photographic walk night and having the resultant images as one of the competitions.

Please don't forget to pay your yearly fee, if you haven't already done so. At the moment we have around 30 members paid up. Remember, if you are not a financial member you will not be eligible to enter the monthly comps as from the September comps, which are Nature Alphabet & Open.

Happy snapping.

*Darren Humphrey*
